

This school year was a smashing success!

Who needs a food processor to make hummus when you have thousands of smash-happy kids?

Your support helps us provide joyful, hands-on experiences with real food to children and families in Northern New Mexico. As Santa Fe Public Schools parents recently shared with us,

"Cooking with Kids exposes kids to foods that they may otherwise never try. All three of my children like to cook and I know Cooking with Kids influenced them."

"Cooking with Kids is honestly what helped my son learn to be a healthier eater!"

Your contribution makes a difference. Thank you!
